GOVERNOR SUBMITS LARGEST BUDGET IN STATE'S HISTORY

TOP OFFICERS ARE HEARD ON LABOR PLAN

More Big Name Witnesses Lined Up to Air Views On Administration Program

CROSS-EXAMINATIONS

Washington, Feb. 1.—(P)—Cy-rus S. Ching, head of the federal Mediation and Conciliation Service, told congress today it would be a "step backwards" if his now independent agency is put under the labor department. He said the service's reputation for impartiality would suffer.

Ching testified before the senate labor committee in opposition to a section of the administration's new labor bill which would shift the service to the labor department.

Ching's words meant open controversy between two of the administration's top labor men over the point Secretary of Labor Robert C. La Follette yesterday asked that the service be put under his department.

Tobin also said that the bill, as presented to the committee, had approval of President Truman. That implied that Mr. Truman backed placing the conciliation service under Tobin.

The Taft-Hartley law, which the administration is out to repeal, established the independent status of the conciliation service. Some congress members have predicted that the administration, despite the big Democratic majorities in senate and house, will have difficulty in getting approval for ending its independent status. Senator Smith (R-NJ) predicted flatly that congress will not agree to another administration proposal to do away with the Taft-Hartley law's provision for court orders to block national emergency strikes.

Ching, 71, is a former industrial relations director for the U. S. Rubber Company.

Ching did not say directly in a prepared statement whether he would step out as director of the service if it is placed under Tobin. But friends are certain he plans to quit if that is done.

The administration wants to repeal the Taft-Hartley act and replace it with a modified Wagner act. Under this program, the Taft-Hartley provision which lets the government prevent critical strikes with 80-day court injunctions would be set aside in favor of a 30-day voluntary cooling-off period.

Critics claim this is too soft a method to cope with such emergencies as a possible new coal strike by John L. Lewis' United Mine Workers.

The administration does, however, want to retain a ban on jurisdictional strikes (disputes between two unions) and a ban on secondary boycotts where the motive is to help one union across such a jurisdictional strike.

Meanwhile, the senate rules committee was winding up hearings on proposals to shut off federal filibusters. Chairman Hayden (D-Ariz) said he expects four southern senators scheduled to testify later in the day will close arguments of debate-limiting proposals backed by the administration and most Republicans, but bitterly contested by lawmakers from Dixie.

Measures under consideration would allow the senate to shut off talkations on any business before it by either a majority or a two-thirds vote. Rules now permit unlimited debate on some matters. A compromise was offered yesterday by Senator Stennis (D-Miss). A debate could be stopped by a vote of 80 senators in cases of grave national emergency. But indications are the committee will (Turn to Page Seven)

Executive Proposes Outright Subsidy To Building Industry

Harrisburg, Feb. 1.—(P)—An outright subsidy of \$15,000,000 to the building industry was proposed by Gov. James H. Duff today. He said it will assure \$50,000,000 in low rent homes in the next two years.

"If the federal government matches or doubles what we put up, it will mean \$100,000,000 to \$150,000,000 in housing at the state level," Duff said.

The Republican governor made public his housing program at a news conference called in connection with presentation of his two-year financial program to the 1949 legislature.

He said the plan was developed after lengthy discussion with representatives of the building industry, insurance companies and labor on the housing shortage. "They told me that a subsidy between 25 and 35 per cent from the government is necessary if we are going to get low rent housing," Duff said. "This will be an outright subsidy with no strings. We will not get the money back any-

Labor Secretary Asks Taft-Hartley Repeal

Secretary of Labor Maurice Tobin, right, appears before the Senate Labor Committee to fire the opening gun in the Administration's drive to repeal the Taft-Hartley law and substitute the old Wagner Act with "improvements." Tobin charged that the GOP-sponsored Taft-Hartley Act had "abridged the rights of working men and women" and had plunged the government unnecessarily into labor-management disputes. Seated at far left is Senator Robert A. Taft (R.) of Ohio, co-author of the present labor law, with whom Secretary Tobin clashed verbally at the hearing.

Fate of \$500,000,000 Vets' Bonus In Hands Of Voters

Harrisburg, Feb. 1.—(P)—The fate of a \$500,000,000 veterans' bonus passed into the hands of Pennsylvania voters today.

The question of allowing a maximum of \$500 for each of the state's 1,514,000 veterans of World War Two will appear on the November ballot in a statewide referendum.

The state's lawmakers apparently left it up to another legislature to decide what taxes are needed to pay the bonus.

The general assembly approved last night a constitutional amendment calling for a half billion dollar bond issue. If approved by the voters, it will mean first payments will start in 1950.

The assembly cleared the bonus bill as it squared away to receive the commonwealth's budget for the next two years. Duff advised the legislature he would present it at the afternoon session.

Appearance of the budget signals "quickened activity" in both chambers with a flurry of bills to carry out the commonwealth's financial requirements for the next two years.

Meanwhile, the house received two senate-sponsored measures passed by the upper chamber last night.

One bill tightens penalties for bribery or attempted bribery at sports events in Pennsylvania. The other would set up a summer camp for poor children at the \$85,000,000 Indianopolis Gap military reservation. The bribery bill would fix the penalty for even suggestion of throwing a professional or amateur game at \$3,000 fine or three years in jail.

He struck out at what he termed an "ungrasping politician" who may "seek to use this for his own program."

The bonus bill, approved by the senate last week, passed the house, 207-0, without a word of debate. The bonus was in the form of an amendment to the state constitution. The constitution now sets the commonwealth's debt ceiling at \$1,000,000 unless changed by a vote of the people.

The bond issue proposal was approved by the 1947 secon. The second passage yesterday corresponds to the 1947 secon. (Turn to Page Seven)

LAWS PROPOSED FOR SCHOOL BUS SAFETY

Harrisburg, Feb. 1.—(P)—The most popular lawmaking idea in the legislature is one to require motorists to come to a complete stop while school buses are loading or unloading children.

The latest—and eighth—proposal comes from Reps. James L. Gaffney and Elwood M. Good (Northampton). Seven similar bills already have been submitted in the house and senate since Jan. 17.

more than we get money spent for relief." The governor explained the proposed program will work this way: After a community's housing needs are determined, a project to meet them will be set up with plans and specifications worked out to the final details.

Then anyone interested in building such houses will be invited to offer bids with the understanding that the rentals will be fixed for a period of 10 to 15 years. The contractor, builder or company offering to build the project with the lowest amount of state subsidy will get the job. The winning bidder will be required to put up a bond to guarantee that rents will stay within the figure set by the state for a period of two years.

Duff said he will propose establishment of a new state agency to decide the housing need is the greatest and what type project shall be built. The same agency will also decide what rentals will be charged.

ARGENTINA STUDIES FINANCIAL POLICIES

Buenos Aires, Feb. 1.—(P)—Argentina halted transfers on money abroad and the importation of foreign goods today in order to permit a study of her financial policies.

Tennis Star Held On Morals Charge

Los Angeles, Feb. 1.—(P)—William T. (Big Bill) Tilden, king of the tennis world and an athletic generation ago, awoke in jail today, charged with a morals offense against a boy for the second time in two years.

He awaited a visit with a lawyer and an appearance in court to determine when, or if, he may be released on bail. The charges are contributing to the delinquency of a 17-year-old lad and violation of parole imposed in the previous case. The latter was not immediately bailable.

He was arrested at his Westwood village home as he returned from giving a tennis lesson.

Lt. Lynn Brackett said Tilden was accused of picking up an 18-year-old boy, hitchhiking on Wilshire boulevard last Friday, driving the boy to Santa Monica and making improper advances to him.

Tilden, 55-year-old bachelor, was America's No. one tennis player from 1920 to 1930. Two years ago he was charged with a similar offense against a 15-year-old boy in Beverly Hills. Superior Judge A. A. Scott then sentenced him to nine months in the county jail and placed him on probation for five years.

The break also is endangering the main electric power line to the plant. The gas caused formation of a substance on the line pulling the wires to the ground.

The Glen McCarthy interests own the gas line.

13 HOMES DAMAGED BY MINE CAVE-IN

Carbondale, Feb. 1.—(P)—The surface cave-in over an anthracite coal mine early today damaged 13 homes in a three-block area and injuring three persons.

One home disappeared into a 25-foot hole, others tilted precariously in the settling earth.

State police said it was one of the worst cave-ins in the history of this hard coal community located 20 miles north of Scranton.

Families in the affected area were moved to hotels. Many fled their homes in nightclothes despite freezing temperatures.

State police said the earth sagged four feet under most of the homes as much as 30 feet in spots where there were no buildings.

Judge Rules State Must Sell Deshone

Pittsburgh, Feb. 1.—(P)—In his last official act before retiring yesterday, Federal Judge R. M. Gibson ruled the state must sell Deshone General Hospital near Butler to the government for \$2,512,297.

The jurist overruled a commonwealth contention it should receive \$4,000,000 for the hospital which was built originally to house tuberculous patients.

The veterans' administration took possession of the hospital under lease, with option to purchase, in October, 1942. It had the right to renew the lease until 1968.

Since taking possession, the VA has expended about \$4,000,000 in improvements.

At one time the VA told the state it did not plan to purchase the hospital. However, the state was rescinded and the action was asked to set a price. When it asked \$4,000,000 the VA balked and filed proceedings in federal court.

State officials, at a subsequent hearing, contended the government's lease and agreement to purchase was not binding because no one was authorized to execute such an agreement.

CHINESE REDS CAUTIONED BY PRESIDENT LI

Communists Advised to Lay Off Irrelevant Demands If They Really Want Peace

GOVERNMENT IRKED

Nanking, Feb. 1.—(P)—Li Tsung-Jen's government, showing new life, sharply warned the Communists today to lay off irrelevant demands if they want peace.

A statement attributed to the acting president's office told the Reds the government was still able to fight. But that continuation of hostilities was undesirable "because the people can no longer bear civil war."

What angered Li's government was three recent demands of the Reds. They were for the rearrest of Lt. Gen. Yasutsugu Okamura, former Japanese commander in China, acquitted by a Chinese military court last week; the "cessation" of all Red-described "war criminals" and complete recognition of the local Peiping peace pact.

The statement indicated the government and the Communists were still far from a position where they would be able to seat delegations around a conference table.

Within itself the Li government's peace hopes brightened. Friends said the acting president was determined to exhaust every peace possibility before abandoning Nanking, the capital.

They said he had managed to persuade Premier Sun Fo and other ministers to return here from Shanghai. Li, they said, has abandoned plans to go to Canton immediately. His government is scheduled to begin functioning there Saturday.

However, observers feel that the acting president is ready to go much further toward peace than retired President Chiang Kai-Shek ever advocated going.

Economically, Shanghai at least seemed to be in a bad way. Paper money there fell so fast that the money market practically closed. Dealers were unable to agree on exchange, which fluctuated from the 300 gold yuan to \$1 of a few days ago to \$100 to \$1 today.

The cost of living index, on which Shanghai salaries are based, jumped 80 per cent in the last two weeks, but workers said prices had increased even more.

Los Angeles, Feb. 1.—(P)—Clark Barrett, official of the Du Pont Company plant, said today a break in a 12½ inch gas line had been isolated and the flow of gas would be stopped within a short time.

The line broke early this morning, turning loose millions of cubic feet of gas a short distance from a heavily populated Orange suburb. The line supplies the multi-million dollar plant.

Barrett said the break would cause partial shut-down of the plant but that it would not be serious and would be of short duration.

"As far as we can tell, everything is safe now," he added.

The break occurred beside a road about a mile west of Orange and was believed caused by ice. The line was in a ditch filled with ice.

The break is by a highway on which hundreds of automobiles travel carrying people to work in the plant.

Sheriff Chester Holts rushed deputies to the area to reroute traffic for the 8:30 a. m. shift at the plant.

According to Mrs. Sally Steidley, who lives 100 yards from the line, "it was like an earthquake" when the break occurred.

The break also is endangering the main electric power line to the plant. The gas caused formation of a substance on the line pulling the wires to the ground.

The Glen McCarthy interests own the gas line.

13 HOMES DAMAGED BY MINE CAVE-IN

Carbondale, Feb. 1.—(P)—The surface cave-in over an anthracite coal mine early today damaged 13 homes in a three-block area and injuring three persons.

One home disappeared into a 25-foot hole, others tilted precariously in the settling earth.

State police said it was one of the worst cave-ins in the history of this hard coal community located 20 miles north of Scranton.

Families in the affected area were moved to hotels. Many fled their homes in nightclothes despite freezing temperatures.

State police said the earth sagged four feet under most of the homes as much as 30 feet in spots where there were no buildings.

JUNIOR COLLEGE FOR M'KEAN CO. SOUGHT

Harrisburg, Feb. 1.—(P)—McKean county would get a \$2,000,000 junior college under a measure in the state house of representatives today.

Rep. Albert W. Johnson (R-McKean) sponsored a bill calling for establishment of the two-year college by the commonwealth in or near Bradford.

Students would be limited to Pennsylvanians. To qualify for admission they would be required to have had "high scholastic achievement in school."

The institution would be known as the McKean County Junior College and administered by a board of trustees under the jurisdiction of the state council of education.

No instruction or text book fees would be charged.

Takes Back Old Name For Keeps This Time

Detroit, Feb. 1.—(P)—With the help of an obliging court, Constantine Christodoulou became "Christer" and now is again Christodoulou.

Probate Judge William F. Cotten permitted the first change six months ago and the second yesterday.

It was because Christodoulou pleaded that his father in West Virginia "kidded" him about the new name as "high-toned" and so he wanted the old one back—for keeps.

Fair Weather Welcomed In Storm Area

By The Associated Press
Skies were mostly clear but temperatures were on the chilly side over virtually all of the country today.

The fair weather was welcome in the western blizzard area where relief operations were increased as military and civilian forces continued their efforts to aid the snow-bound and hungry humans and livestock.

Temperatures moderated over some parts of the frost-bitten south after sub-zero blasts in Texas caused millions of dollars of damage to crops. But the mercury again was far below freezing in northern and central Texas, Tennessee, northern Mississippi, northern Alabama and most of Arkansas.

North Dakota and northern Minnesota had the coldest weather. Early morning lows in North Dakota were 15 to 20 below zero and in Minnesota 10 to 15 below.

The cold air was expected to extend over most of the north central region tonight and tomorrow.

Waco, Tex., reported a reading of 8 above today but warmer weather spread over the Rio Grande valley where the mercury dipped to near zero yesterday.

The unseasonable cold in Texas has caused heavy damage to crops, fruit, potato and tomato crops. Temperatures today were about 15 to 20 degrees higher than yesterday.

Memphis, Tenn., which had a high of 31 yesterday, shivered in 7 above today and in Bowling (Turn to Page Seven)

Orange, Tex., Feb. 1.—(P)—Clark Barrett, official of the Du Pont Company plant, said today a break in a 12½ inch gas line had been isolated and the flow of gas would be stopped within a short time.

The line broke early this morning, turning loose millions of cubic feet of gas a short distance from a heavily populated Orange suburb. The line supplies the multi-million dollar plant.

Barrett said the break would cause partial shut-down of the plant but that it would not be serious and would be of short duration.

"As far as we can tell, everything is safe now," he added.

The break occurred beside a road about a mile west of Orange and was believed caused by ice. The line was in a ditch filled with ice.

The break is by a highway on which hundreds of automobiles travel carrying people to work in the plant.

DUFF STANDS FIRM IN HIS CONTENTION THAT GASOLINE TAX HIKE BE ONLY NEW LEVY

Harrisburg, Feb. 1.—(P)—Gov. James H. Duff submitted the largest budget in Pennsylvania's history to the general assembly today.

The over-all total calls for expenditure of \$988,196,350 to operate the state government for the next two years.

The Republican governor stood firm in his contention that no new taxes should be enacted except an increase of one cent per gallon in the state's gasoline tax to bring the total to five cents a gallon.

The executive's proposed gasoline tax increase was not included in the budget. Approval of it by the legislature would add \$40,000,000 to the budget estimates, bringing the grand total to \$1,028,196,350.

The Republicans hold a majority in each house of the legislature. Major budget recommendations included:

1. A \$147,000,000 building program financed through establishment of a building authority to avoid levying new general state taxes.

2. A \$15,000,000 appropriation as a direct state subsidy to develop a \$50,000,000 low-rent housing program through private enterprise.

3. An additional \$25,000,000 program for cleaning up the Schuylkill river. Of the total, \$17,000,000 would be provided by state funds and the additional \$8,000,000 through the State Authority.

The over-all budget figure of \$988,196,350 for the 1949-51 biennium compares with the \$857,422,133 1947-49 budget. However, he reported to the legislature that actual expenditures for the present biennium amounted to \$1,019,678,381. The total included \$98,197,480 spent this biennium from prior appropriations and \$21,078,846 in deficiency appropriations for this two-year period.

The governor asked the general assembly to reenact for another two years all existing emergency levies, including the controversial soft drink tax. He also recommended postponement for another two years of the exemption of manufacturing corporations from the capital stock and franchise tax.

Postponement in 1947 of that exemption brought vigorous protests from manufacturers. "I am convinced," Duff said, in urging a \$15,000,000 appropriation for housing subsidies, "that in order to have low rent housing it is necessary for the state government to subsidize local housing authorities or insurance companies if such low-rent housing is going to come about."

The governor's \$147,000,000 building program continued that started in 1947 with an \$70,000,000 appropriation for the purpose, mostly in enlarging the state's mental hospitals.

The 1947-51 program includes \$90,500,000 for hospital and prison construction; \$13,000,000 for state teachers colleges; \$5,000,000 for the Pennsylvania State College; \$24,000,000 for park development and flood control projects.

In recommending a state building authority to finance the program through bonds instead of direct taxation, Duff said it is "a proper case for borrowing because we are undertaking in a short period of time projects, the need for which has accumulated over many years and which will serve future generations, but due to constitutional restriction funds cannot be obtained soon enough by that method."

The building authority plan of financing was first set up in 1935 but was abolished ten years later. Under that plan the authority, which is headed by the governor, raised funds for building through sale of revenue bonds and leased the buildings constructed to the state. The rentals pay off the bonds.

The governor said the highways department needs an additional \$80,000,000 in the next two years for construction purposes. This may be obtained, he said, through an increase of one cent a gallon in the gasoline tax to raise half of it. He recommended that a building authority take over the remaining \$40,000,000 of construction.

The general fund budget, from which ordinary expenses of the state government are paid totaled \$695,000,000 an increase of \$79,000,000 from the 1947-49 budget.

The major increases were \$17,000,000 for the Schuylkill river desilting program; \$15,000,000 low-rent housing subsidies; \$33,000,000 additional for public health; \$5,000,000 school employee retirement funds; and \$7,500,000 interest on the \$500,000,000 veterans bonus.

"The cost of operating the mental hospitals and other welfare institutions has increased more than 100 per cent since 1942," he said.

The governor reported the general fund would close the biennium next May 31 with a surplus of \$42,879,694 after making deficiency appropriations at this session of \$21,078,846. The largest deficiency appropriations were \$10,000,000 and California, 1,345,000.

Would Review Pa. V. A. Construction

Washington, Feb. 1.—(P)—A committee of Pennsylvania congressmen has asked the Veterans Administration to review the curtailment of veterans hospital construction in the Keystone State.

In a letter to Administrator Carl E. Gray, Jr., made public yesterday, the committee of two senators and four representatives asked that the matter be reviewed in the light of two factors:

1. The ratio of hospital bed capacity to veteran population.

2. The availability of personnel and medical facilities in those areas where hospitals are contemplated.

The VA recently eliminated 16,000 from its proposed national construction program. The congressmen say the cut in Pennsylvania represents nine percent of the total.

The congressmen point out Pennsylvania has 1,424,000 veterans and four hospitals while New York has 10, Illinois five and California nine.

They said New York has 2,043,000 veterans; Illinois, 1,211,000 and California, 1,345,000.

(Turn to Page Seven)

Slush And Ice Continue To Create Hazardous Conditions

By The Associated Press
Frozen slush and ice continued to create hazardous driving conditions over many of Pennsylvania's highways today as low temperatures prevailed throughout the state.

Little if any additional snow was expected to fall on top of the three to eight inches that blanketed the state yesterday.

The weatherman predicted cloudy skies today and tomorrow with a few scattered snow flurries forecast for western Pennsylvania today and in the eastern mountain areas tomorrow.

Several bright notes were reported. A number of schools were closed for the day because of the road conditions. And the state's anthracite miners looked forward to more work because of the low temperatures.

The Key to Modern Living

An Automatic Gas Water Heater

Turn on the **Shower**
Relax under instant, just-right hot water. It's always there, anytime of any day with your Automatic Gas Water Heater.

Turn on the **Automatic Laundry**
Really clean clothes with plenty of HOT water from your Automatic Gas Water Heater.

Turn on the **Automatic Dishwasher**
Dishes come clean in a jiffy. All dishwashing—automatic or by hand—requires plenty of good hot water which you can count on with an Automatic Gas Water Heater.

Modern living begins with modern hot water equipment. Before you modernize your bathroom, before you install an automatic laundry or dishwasher, first provide the hot water they need. An Automatic Gas Water Heater assures plenty of hot water for all modern needs—automatically... dependably... economically... with rust protection to assure extra years of service. See the new models now at your dealer's, plumber's or local gas company office.

FOR HOT WATER MAGIC GAS has got it!

Communion Breakfast At The K. of C. Is Well Attended

The husband and wife corporate communion and breakfast by Warren Council Knights of Columbus on Sunday morning proved to be the largest attended function held thus far. This large group of K. of C. members and their wives, and in the case of single men, their lady friends, gathered at St. Joseph's church at 8:00 o'clock and then went to club rooms for a delightful breakfast. The club rooms were filled to capacity making it necessary to put up card tables to serve the overflow.

Warren Council was especially honored by visit and attendance of state officers, Dr. Danil Nolan, state deputy and professor of bacteriology at St. Vincent's College, Latrobe, and Eric Malong, State Secretary and feature writer for the Scranton Times and Scranton Tribune.

The guest speaker was Very Rev. Fr. Harry J. Quinn, oblate of St. Francis de Sales and Professor of Mathematics at Cathedral Preparatory School, Erie, who related his experience as a chaplain in U. S. Army during World War II and told of his observation of the spirit of tolerance as practiced by European nations, and clearly brought out the fact that could best be accomplished by substituting understanding. His dissertation on this subject was terse and to the point.

The committee in charge of this affair was headed by N. J. Mangus, who also acted as toastmaster, and Frank Blastic as co-chairman.

Grand Knight Sam Gerardi who conceived the idea of a husband and wife communion breakfast welcomed the gathering and expressed his appreciation of the wonderful co-operation by all who worked to make it the biggest and best function held by Warren Council.

It is planned to hold this function yearly.

Times Topics

ROUTINE CALLS

The police docket reflects several routine calls today, among them the usual dog nuisance calls and unlocked doors about town.

LICENSE HEARINGS

Representatives of the license bureau of the Department of Revenue are conducting hearings in the small court room today to determine if suspensions are forthcoming for drivers who have been involved in motor vehicle violations.

GIVING AWAY DOGS

Harold Seymour, 212 1/2 Central avenue, has asked the Times-Mirror to help him locate homes for two seven week old puppies, part Pomeranian, and their mother. Further information may be had by calling 3102-J after 5:30 p. m.

DANCES CONTINUE

The Pleasant Township Volunteer Fire Department, which has been sponsoring a series of dances to raise money for the purchase of equipment, announces that on Saturday, February 5, another of the popular square dances will be held at the State Armory on Hickory street. The music will be provided by Happy Ed, Jack and the Gang with songs by the small lad as a highlight. Admission is nominal, and if this dance is successful, there will be one each two weeks until further notice.

EXTENSION SCHEDULE

The schedule of meetings for home economics extension groups in charge of Mrs. Geraldine Johnston for next week are as follows: Tuesday at 9:30 a. m., Cherry Grove group at the home of Mrs. Perry Howard, subject "Reupholstery"; Wednesday at 1 p. m., Pleasant township group at Grange Hall, subject "Refinishing Furniture"; Friday at 1:30 p. m., Barnes group in Barnes church, subject a work-meeting on homemade mixes.

LARGE EMPLOYMENT

According to the bulletin of the Pennsylvania Motor Truck Association just off the press, employment figures for the trucking industry are listed by counties in Pennsylvania. In Warren county, for the year 1947, there were 1,895 persons employed as drivers and single owner operators with an annual payroll of \$4,293,000. The trucking industry is estimated to carry an investment in the county of \$6,381,983 representing nearly 2200 trucks.

TAX FREE AGAIN

The Venango county budget for 1949 does not include a tax levy on real estate or the occupational tax. It will be the third year in which neither tax has been levied. Chief revenue to the county comes from the four-mill tax on personal property (stocks and bonds) and this year the Commissioners estimate that \$200,000 will come from this source, with the valuation at \$50,000,000. Other revenue comes from the liquid fuel tax levied by the state. This year the county estimates the amount will be \$80,000, but it may be greater. Figures show that in the past few years the county and institutional district are able to operate within the bounds of the money provided from the personal tax revenue and the liquid fuels funds.

TODAY IS pay day for all the folks who have classified ads.

High School P. A. System Is Dedicated

Dedication of the recently installed public address system opened the new semester for students of Warren High School on Monday morning.

Melvin Keller, president of the board of education, in making the presentation to the school, spoke of the desire of the board to give the young people of Warren progressive improvements and the best educational facilities possible within the limits of the amount of money available. He advised all students to dig in and get the most they can in school, assuring them that education pays.

President of the Student Council, Randall White, expressed appreciation to the board of education on behalf of the student body and enumerated many of the opportunities that the address system offers to the students for increasing both their knowledge and abilities.

Neil DeStefano, master of ceremonies, then introduced Dr. Carl Whipple, who called attention to the use students were making of the system in participating in the dedication service and emphasized the importance for everyone to improve his skill in communication.

After the ceremony Nick Mangus started the Get Acquainted Week program by explaining over the P. A. system the purpose and value of the student council's plan to promote making friends and sharing interests.

In the assembly which followed in the auditorium, a group of Student Council members focused attention on the theme of the week by means of a comical skit. Those who frolicked through the play were Jean Anderson, Margaret Eustice, Joan Massa, Mary Ann Massa, Mary Skstrom, Carole White, Harry Danielson, George Hesch, Jim Morley, Ned Salerno and Paul Shattuck.

A card on which the student's name was printed in heavy black ink was given to every student in the school with the request that these name cards be worn every day all through the week.

This morning, council members distributed quiz sheets to all the students. The object is to guess the names of the fellow students about whom hints are given. The answers will be collected Thursday.

Letters to the Editor

Warren, Pa. Jan. 28, 1949

Editor Warren Times-Mirror:

Dear Sir:

In regards to the letter written by a lady in Clarendon stating she couldn't walk on her sidewalk I wonder if it would interest her to know that I live on the south side a five minute walk from the business center of town. This street has not an improved road, but we pay just as much taxes as property owners on Crescent Park with a cement road.

I have been trying to get the borough to just fill up a few chuck holes in front of my property.

ADMINISTRATION NOTICE
Letters Testamentary on the Estate of Frank Cierznjak (also known as Frank Schultz), late of the Borough of Warren, Warren County, Pennsylvania, deceased, having been granted to the undersigned, notice is hereby given to all persons indebted to said Estate to make immediate payment, and those having claims or demands against the same will present them to the undersigned, properly authenticated for settlement.

Julius A. Schultz
21 Park Avenue
Warren, Pa.
C. Henry Nicholson, Attorney
Warren National Bank Building
Warren, Pennsylvania
Jan. 18-25, Feb. 1-8-15-22-61.

erty so that my sidewalk won't have a foot of mud on it. But to no avail. They refuse to do it. I am a housewife too that is not working. And if I have to pay five dollars more taxes I think I should get a couple of chuck holes filled up so that I won't need to get a boat to take me off of the street when I want to go to town.

Sincerely yours,
A Taxpayer

NOTICE

Bids will be received for instructional and janitorial supplies up to 9 A. M., February 21, 1949. A copy of the list for bidding may be secured at the office of Superintendent of Schools.

Specialists To Give Talks To Parish Group

Dr. Samuel T. Robbins, specialist in family life education, will be the speaker at the Wednesday evening meeting of the young adult group at Trinity Memorial parish house.

Dr. Robbins, recently moved to Warren, is the author of "Dating," "Steps Toward Marriage and Parenthood," "A Case for Sex Education."

During the past two and one-half years Dr. Robbins has trained 485 teachers and superintendents of three colleges in family life education, 53,000 adults, 8,000 youth between seventh and twelfth grades, and conducted discussion groups with 4,000 members of PTA and other allied groups. He has trained spiritual and youth leaders, educators, health and welfare workers in 15 leadership training institutions on this important subject.

Dr. Robbins is at present vice chairman of the national committee for family life education in secondary schools, a member of the executive committee of southern council of family relations, and is special consultant in family life education for the American Social Hygiene Association. He is presently engaged as a free-lance lecturer and writer in the fields of marriage, divorce, child and adolescent behavior, parenthood, and sex education.

The committee for Wednesday evening's meeting is: Mr. and Mrs. David Abernethy, Mr. and Mrs. Charles Blackman, Mr. and Mrs. Richard Meacham.

Weather Aids Gas Company Official Says

Corry Journal: With half of the four coldest months of the winter nearly completed, the Pennsylvania Gas Company this year is experiencing one of its best years, as far as maintaining adequate pressure and supplies to all consumers are concerned.

Although February and March still remain, William Locke, president of the Utility at Warren, said today the PGC has not had to call upon reserve supplies yet this winter.

The absence of low temperatures for prolonged periods and high winds, both major factors in determining what the winter's fuel consumption will be, have aided greatly in enabling the utility to continue uninterrupted service, especially to the manufacturing plants.

This year's supply of natural gas is also being augmented by the delivery of 5,000,000 cubic feet daily of fuel from the southwestern states. Through the United Natural Gas Company and the New York State Gas Company, both of which are connected with the Big Inch line, the utility serving this area has been supplied.

Accountant Is Certified In New York

Charles W. Mead, of Mead & Mead, has been informed by the State Education Department of New York that he became certified to practice as a certified public accountant in that state effective January 13, 1949.

Mr. Mead received his preliminary education in Bolivar, New York, a graduate of that high school. He is also a graduate of

Westbrook Commercial Academy and received his B. B. A. Degree from St. Bonaventure College.

Mr. Mead has been practicing public accounting as a partner in the firm of Mead & Mead for the past seventeen years. Prior to that time he was employed on the staffs of accounting firms in the States of Pennsylvania and Texas. The firm has an extensive practice with offices located in Olean,

New York, Warren, and Titusville.

Charles W. Mead is manager of the local office located in the Warren National Bank Building. Mr. Mead is a Rotarian and member of the Chamber of Commerce.

In China, millions of people have lived for centuries on soil that came from the great mountains of Tibet.

Agency And Officials Discuss Child Work

At a joint meeting of members of the board of directors of the Children's Aid Society and eight officers of Warren county plans were made for harmonizing the work of the agency and the county

as it pertains to children and unmarried mothers.

Judge Allison D. Wade opened the discussion and Mrs. A. C. Jackson responded in behalf of the Children's Aid Society. This was followed by open discussion by members of the two groups represented.

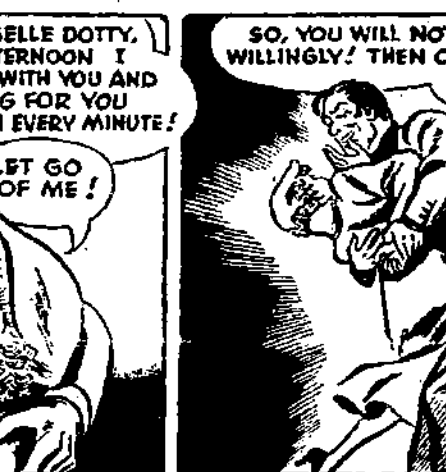

It was suggested by Robert Dunham that a joint meeting be held every six months, a plan which

met with the favor of all present.

The removal of about 1,000,000 tons of mud from the bed of the Thames River is required to keep it open for shipping.

Youth Party Is Enjoyed At Youngsville

Youngsville, Feb. 1.—Students of the four upper grades of Youngsville High School and their friends, numbering 130, gathered in the school gym Friday evening for the first of a series of youth parties being sponsored by the PTA. The gym was very attractively decorated in a Valentine motif and each girl was presented with a heart-shaped dance program. In charge of the decorations were Mrs. Marian Abraham, Mrs. Lorraine Stiller, Mrs. Pauline Halfast, Mrs. Johnson and Mrs. Archie Littlefield. Chaperones were Mr. and Mrs. Isadore Schnell and Mr. and Mrs. Earl Walter. Both round and square dancing were featured, with Bob Corbin calling for square dance sets. Music for the square dancing was violin and piano, played by the Potter Girls, while records were used for the round dancing. Those who did not care to dance found a program of pingpong, rummy and other games arranged by Mr. and Mrs. Don Abraham for their entertainment. Mr. and Mrs. Robert Spencer, Mr. and Mrs. Donald Agnew were in charge of the cake and pretzel bar. Funeral services were held in the Free Methodist church Saturday afternoon for Archie M. Cordner, 73, of Youngsville, whose death occurred at the Allen Nursing Home in Jamestown, where he was a patient. Rev. John Bargar officiated and interment followed in the Lovell cemetery.

The 25th anniversary of the Sunshine Club was observed at the January meeting held Thursday at the home of Mrs. May Downey. The club, while a social organization, has had as an aim the bringing of sunshine not only at the meetings, where they always have some form of entertainment, but also by occasionally sending sunshine baskets to friends who are ill or for some reason will appreciate a bit of cheer. At Thursday's meeting a donation was sent to the March of Dimes fund. There was a good attendance and games were enjoyed, followed by a luncheon served by the hostess. The next meeting will be held with Mrs. Edna Haupt, the evening of Feb. 24th.

Little Miss Linda Rapp, daughter of Mr. and Mrs. Forest Rapp, returned the last of the week from Warren General Hospital, where she had been a patient. She seems to be getting along nicely now. Dr. John Thompson expects to spend this week in Washington, D. C., where he will take a post-graduate course at George Washington university.

Dick Spencer, of Pittsburgh University, is spending his mid-semester vacation with his father, Charles Spencer and others in the family, at their home on Ford street.

Dr. Reid Detar, Sr., before leaving for his new position at Danville, was entertained by friends at the Carver House, Warren, for a dinner which was fol-

Rita M. Bednies Teachers' Party Becomes Bride Of At Youngsville Is W. G. Branstrom Greatly Enjoyed

Mr. and Mrs. Walter Bednies, Warren RD 3, have announced the marriage of their daughter, Rita Marie, to Walter Gordon Branstrom, son of Mr. and Mrs. Edwin Branstrom, of Russell.

The ceremony took place in St. Joseph's rectory at nine o'clock on the morning of Saturday, January 22 with Father Arthur Leon, assistant pastor, officiating.

Attendants were Miss Dorothy Bednies, of Clarendon, and Robert Branstrom, who was his brother's best man.

The bride was attractively attired in a gray suit, with which she wore black accessories and a corsage of red roses. Her maid of honor wore yellow roses with a suit of gray.

Mrs. Bednies chose an aqua crepe for her daughter's wedding and Mrs. Branstrom was in gray crepe. Each had a corsage of pink roses.

The reception followed in the church hall from ten o'clock until noon, with about 50 guests, relatives from Erie, Syracuse and Fredonia, N. Y. A four-tiered wedding cake centered the bride's table with individual cakes bearing rosebuds and forget-me-nots.

After a short honeymoon trip to Washington, D. C. and other points, the newlyweds are living in Russell, expecting to be at home to friends in their own new home after April 1st.

Parties have been given for the bride-elect by Mrs. Edwin Branstrom and Miss Mary Branstrom, Russell; Mrs. David Akeley, Warren RD 3, and the bride's sister, Miss Joan Bednies.

Holding their first social affair in the Youngsville High School, more than 100 members of the Warren County Branch, Pennsylvania State Education Association, enjoyed an entertaining program arranged by Helen Morrow and Helena Isenman and the delightful refreshments served by Marge Gular and her committee of Youngsville teachers.

Opening the program were two Youngsville girls, Marilyn Loomis, vocalist, with Lisa Nelson as accompanist. They were followed by Roseanna Oberg, singer from the Rapp Studio, whose accompaniments were played by Peggy Henderson.

In the "King For a Day" program, patterned after the popular radio show "Queen For a Day," Fred C. Barr, Tidoute, acted as emcee and contestants were Paul Gelts and Orval Borton, Youngsville; John Brown, Sheffield; and Carl W. Johnson, Tidoute. Judges were Helen Driscoll and Rachel Springer, Youngsville, and Ruth Howarth, Sheffield.

Round and square dancing followed, with the Briggs Orchestra providing the music and Merle Solinger calling the sets.

Golden Wedding Of W. A. Dorseys

Thursday, January 27, was a happy occasion for Mr. and Mrs. W. A. Dorsey, Clarendon, who were married in Maryland 50 years ago on that day and were honored guests for an open house arranged by their children in observance of the anniversary.

About 60 relatives and friends from Warren and Clarendon called during the afternoon and evening hours and the Dorseys were most appreciative of the many remembrances and greetings which they received.

The refreshment table was attractively centered with a three-tiered bride's cake and many, and about the home were many bouquets of lovely flowers. The bride of fifty years ago wore a corsage of yellow roses and her bridesmaids had a yellow rose boutonniere.

One of the delightful features of the party was the display by Mrs. Dorsey of many of the wedding gifts which she had received on the wedding day 50 years ago.

W.C.T.U. News

GLADE UNION
Glade WCTU held its regular meeting at the home of Mrs. Victor Moody, with a good attendance. Devotions, in charge of Matilda Horstrom, opened with singing of "How Firm a Foundation" and reading of the 115th Psalm and 23rd chapter of Joshua. Prayer was offered by Jane Klenck, a poem, "May Our Prayers be answered" and the devotion, "I Would Be True."

The vice president, Myrtle Kittner, was in charge of the business session, when minutes were read by Secretary Bessie Walters and Mrs. Horstrom reported in the absence of the treasurer. A report was also given on the Afghan for the soldiers and sailors' hospital, the birthday list read and prayers offered. Members voted to pay the Willard-Stevens Fund obligation, after which Mrs. Horstrom took over for the program chairman.

The topic was "How to Solve the Liquor Problem," with the following readings: "No Peace for the Offender," Bessie Walters; "We Must Do More Than Pray," Catherine Peterson; "Was Said Prohibition Failed," Jane Klenck; "Alcohol Never Did," Ethel Sumner; "No Peace for the Offender," Myrtle Kittner. The meeting closed with the WCTU Benediction and refreshments were served by the hostesses for a pleasant social hour.

The February meeting will be held at the home of Mrs. Ellen Anderson, Marion street.

AGAINST RENT CONTROL
Members of the Meadville Real Estate Board are attacking proposals for continuing rent control. Board officials say that residential building season are at an all-time low, "a matter of concern to hundreds of craftsmen in construction activity as well as to real estate operators. Much of the failure to attract more people into the building of homes is believed due to the prospective continuance of rent control, board spokesmen said after the meeting."

COLLEGE NEWS

IS CAPPED

Social Events

GRACE CHURCH EVENTS
Tuesday—7:45, Truth Seekers Class will meet in the League room, and members are asked to note this change in date.
Wednesday—8:30, Intermediate choir rehearsal; 4:00, junior choir rehearsal; 7:30, midweek prayer meeting and Bible study.
Thursday—7:30, choir rehearsal.
Friday—7:45, WSCS meeting, when the Advance Program will be presented.
Monday, February 7, 6:30 p. m., annual father and son banquet sponsored by the McCurdy Men's Class, with February 8 as the deadline for reservations. Rev. Sherman Epler, with his bag of magic from Kane, and the High School Boys' Quartet, will be features of the program.

LOCAL REPRESENTATIVE ATTENDS CONFERENCE
Mrs. Richard Hansen, Franklin street, returned Sunday from Washington, D. C., where she attended the 23rd women's patriotic conference on national defense, held at the Hotel Statler on January 27, 28 and 29th. There were 32 patriotic organizations, representing women from all over the United States, participating in the program.

Mrs. Hansen represented the Western Section of the American Legion Auxiliary, since she is serving this year as vice chairman of the department's national defense committee.

WOMAN'S AUXILIARY
The Woman's Auxiliary of Trinity Memorial church held its regular meeting in the parish house Friday afternoon, with The Ven. George E. Nichols, archdeacon of the Erie Diocese, as the guest speaker. He explained an archdeacon's activities in his address. Hostesses for the tea which followed were Mrs. Richard Smith, chairman; Mrs. John Allen, Mrs. Sidney W. Blackman, Mrs. Robert Bloom, Mrs. T. K. Creal, 2nd, Mrs. H. L. Culbertson, Mrs. Albert Eberle, Mrs. Emmerson Jones, Mrs. A. C. Kirberger, Jr., and Mrs. Henry Marymont.

REBEKAH LODGE
Lady Warren Rebekah Lodge will convene its regular business session at 8 p. m. Friday, after which there will be a party for all those having birthday anniversaries in January and February. Plans will also be discussed for the bazaar to be held in the lodge hall on February 10. Officers are requested to wear their long dresses to this meeting.

There was a good turnout last Friday evening for the supper and lodge meeting, also for the public card party which followed.

CATHOLIC DAUGHTERS
The monthly meeting of Court Warren, Catholic Daughters of America, will be held in the teen room of the YWCA activities building at 8 p. m. Wednesday. Chairmen for the evening will be Rose Padale, Nell Randall, Edrie Mucha and Arlene Mandrin. Guest speaker for the evening will be Miss Lenore Thurston, state nurse. It is hoped there will be a large turnout.

BOY CHOIR AUDITIONS
Due to the many inquiries being received concerning membership in the Warren Boy Choir, Byron Swanson announces he will hold private auditions in his studio in the Warren Conservatory of Music from seven until eight o'clock on Wednesday evening. All boys of 10 years and older who are interested in membership in this group are invited to audition.

SPONSORING PARTY
The WSCS of the Clarendon Methodist church is sponsoring a public "birthday party" at 8 p. m. Thursday in the IOOF hall, with a fine program of both local and out-of-town talent. Admission to the party is based on one's age and members and friends are urged to join in the fun.

HOSPITAL AUXILIARY
The regular business and work meeting of Warren General Hospital Auxiliary will be held at 1:30 p. m. Friday in the nurses' home and a large turnout is hoped for.

IRVINE WSCS
The WSCS of the First Methodist church of Irvine will meet at the home of Mrs. Gail Wolfe Thursday afternoon.

Delightful Treat for Piano Pupils Sunday Recital

A large and enthusiastic audience greeted the young students of the Russell Piano Studios Sunday afternoon, when they presented their first piano recital of the new year.

The program was a most enjoyable one. Each pupil played with high regard for accuracy, technique and musical feeling. These recitals are very valuable to the young pianists; by frequent performance they gain self-confidence.

Those appearing on the program were: Betty and David Swanson, Mary and Mary Miller, Margery and Patricia and Priscilla Ross, Ada Miller, Nancy Reynolds, Victoria Hendrickson, Jimmy Schorin, Judi and Toni Callenberg, Ren Hagstrom, Gloria Peterson, Cynthia Barker, Jane McDonald, Anne Cooney, Dennis Littlefield, Betty and Dorothy Giannotti, Rina Hoff, Coral Tonne, Marilyn Armstrong, Jean Mostert.

Cynthia Barker also sang "Bouquet of Roses" by Hilliard in a pleasing manner. She was accompanied at the piano by Mrs. Paul Atchison.

At the close of the program, Mrs. Russell announced that she had a delightful surprise for the audience and presented Jack-Barrell, one of Warren's outstanding musicians.

Mr. Barrell played a "Nocturne" by Chopin and the brilliant "Polonaise" in A flat by Chopin. These numbers made an ideal contrast. The Nocturne requires the most gradations of beautiful tone, which the player, possessed of the highest degree, while in the Polonaise, its strong rhythmic content, its dramatic passages of strong melodic character and high brilliant climaxes, were all brought out with superb technique and musical power and feeling.

Mr. Barrell graciously responded to the spontaneous and enthusiastic applause of the audience by playing "Caprice Viennoise" by Kreisler. Mr. Barrell is soon leaving for New York for further study and the best wishes of a host of friends will accompany him.

Social Events

FIRST METHODIST WSCS HAS GATHERING

Members, friends and guests of the First Methodist WSCS gathered in Founders Hall for a tureen dinner served by the general officers, special officers, and chairmen of standing committees, with Mrs. Andrew Bair, secretary of local church activities, as chairman.

The business meeting in Dunham parlors was conducted by the president, Mrs. A. H. Templeton, with devotionals by Mrs. Harold Stohl. Plans and activities for increasing missionary giving and interest for the coming year were outlined. Miss Alfreida Laugerquist, accompanied by Mrs. E. C. Slick, sang "Supplication" and "Prayer Perfected."

Rev. Furman acted as discussion leader for the forum presentation during which the Methodist Advance for Christ Movement of 1948-1952 was explained and outlined in detail. Miss Pearl Lund, Mrs. Earl Christensen, Mrs. C. C. Burch, and Miss Margaret Pittman developed and answered questions on the topics: 1. Every Methodist woman a member of the WSCS; 2. Every Methodist woman giving building, and praying for a world Christian community; 3. One thousand new missionaries, deaconesses, and other full-time Christian workers to help meet the needs of the world; 4. Increased giving to the work of the WSCS.

SECOND AUXILIARY HAS INSTALLATION

In conjunction with the regular meeting of the Second Auxiliary Missionary Society, held in the First Presbyterian church parlors, Dr. Robert S. Steen, minister, read an impressive installation service for induction of the new officers. His message stressed the growing importance of the work in missions.

Officers are: President Mrs. Warren R. Carlin; first vice president, Mrs. J. E. Hill; second vice president, Mrs. S. S. Norris; third vice president, Mrs. Mary Morrison; secretary Mrs. Paul Arnold; treasurer, Mrs. N. K. Wendelboe.

A review of the mission book, "On Our Own Doorsteps", was given by Mrs. J. E. Hill at much of the evening. The social hour which followed, Mrs. J. L. Chapman and her committee served tea, with Mrs. Carlin and Mrs. Hill at the urns.

EVANGELICAL CHORUS IS GIVEN BANQUET

Choir members of First Evangelical United Brethren church were given a banquet by the church as an expression of gratitude for their valuable services each Sunday of the year. The delicious four course dinner was served from a table beautifully decorated with candles and a bouquet of snapdragons in pink and white.

Mrs. Rowena Mathis was in charge of the supper arrangements, assisted by Mrs. Arthur Johnson, Mrs. James Greer, Mrs. Ralph Swanson and Miss Edith O'ferle.

A very pleasant evening was enjoyed with singing of songs and remarks by Rev. A. J. Kimmel and O. R. Pang, also music by the organist, Theodore Richard.

ALL TWOS CLUB

The All Twos of First Methodist church met in the church last evening for their monthly get-together. At seven o'clock the committee, consisting of Mr. and Mrs. Elbert Miller, Mr. and Mrs. Ralph Theodore, Mr. and Mrs. William Culbertson, Mr. and Mrs. Glenn Elliott, Mr. and Mrs. D. L. Frank served dinner to 56 members. An excellent book review of "The Big Fisherman" given later by Mrs. Burke Forbes.

MARCONI WINNERS

Dr. R. H. Israel and Sylvester Muller were high pair last evening in the weekly Marconi Bridge Club tournament. In second place for six card play were Mr. and Mrs. Kornreich and Klähr Klepper, third, Mrs. Charles Duff and E. F. Hessinger.

WORKSHOP CHANGE

Women of First Lutheran church will plan to turn out for tomorrow's workshop session as reminded this week's bee will be from 10 a. m. until 1:30 p. m., because of the funeral of a faithful member of the parish, L. A. Timm.

LADIES AID

All members and friends are welcome to the meeting of the Ladies Aid of Emanuel Evangelical and Reformed church which will be held Thursday afternoon at the home of Mrs. Ernest Zollinger, 304 Lincoln avenue.

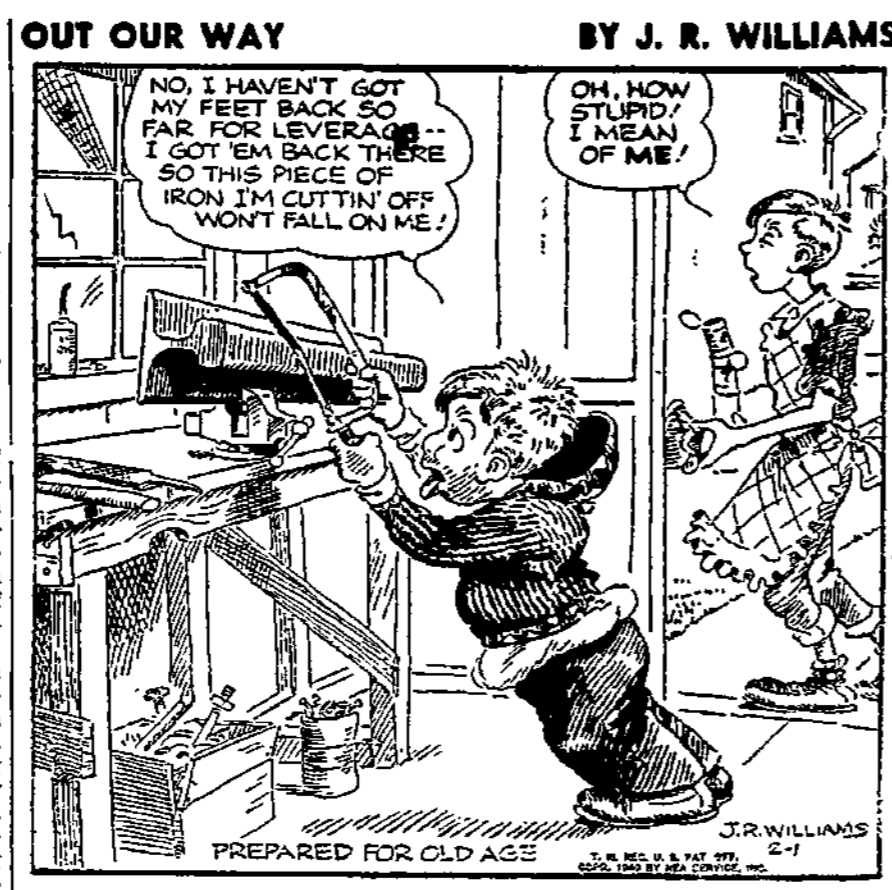

WBA-SUPPER MEETING

Members of West Review No. 4, W. B. A. will hold their meeting at 7:30 p. m. Thursday in the S. F. of A. hall. The meeting will be preceded by a six o'clock tureen dinner and followed by a Valentine party, with games, for the membership. Each one attending is reminded to bring Valentines for the affair.

PHILATHEA CLASS

A large attendance is hoped for at the meeting of Philathea Class members at Calvary Baptist church at eight o'clock this evening. There will be White Cross work and a social hour in charge of Miss Janet Ahlgren and Mrs. Edith Nelson, hostesses.

Temperature can be estimated by counting the number of times a cricket chirps per minute.

Radio Dimes Contest To Be Extended

The March of Dimes contest between Warren and Kane has been extended until Saturday, February 5th. This was announced today by Chuck Tranter, announcer of Warren's Please Play program and Roy Schneck, the Major Domo of the Kane Parade.

The police contest between the two cities got off to a slow start this year with Warren and Kane. The contest was a big lead over the folks on the hilltop. The contest last week ran far behind that of a year ago when the two programs combined collected about \$3,800.

However, according to this morning's count, supporters of the Please Play show have now contributed almost \$800 and Kane has made a comeback and now reports about \$500.

The goal now has been set for at least \$1,000 from each city to help the county campaigns and the contest will run until Saturday when a final program will be conducted.

May Offers Received To Replace Dead Dog

Patty Arnold, of 8 Henry street, was made happier this morning when she was presented with a small puppy through the kindness of listeners to radio station WNAE.

"Yesterday afternoon Patty's dog was killed, and Leroy Schneck, hearing of the accident, told the story on his 'Just Stuff' program at 7:45 this morning. Immediately phone calls came from Warren listeners who wanted to provide the girl with another pet."

Leroy reported that at least 8 dogs were offered and one of these was chosen from Mr. and Mrs. Harold Seymour, 212 1/2 Central avenue. It was taken to the girl's home this morning.

'49 March Of Dimes Collection \$2,375.47

Zonta Club officials announce today that reports from the borough and part of the county bring the 1949 March of Dimes collections to a total of \$2,375.47. Of this amount, \$1,688.88 was raised in the borough. This total does not include any sums sent to the WNAE radio contest, represents only half of the county communities, and leaves still uncollected a number of coin boxes in business places about town.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral home are from 10 a. m. to 7 p. m. and 7 to 9 p. m.

RALPH E. RUGGABER
Final rites in memory of Ralph E. Ruggaber, office manager at the Warren Baking Company, will be held at two o'clock Thursday afternoon at the King Funeral Home in Ridgway, with interment following in the Ridgway cemetery.

ROSE IRENE CRISMAN
Sheffield, Feb. 1—Services were held Saturday afternoon at the Borden Funeral Home in memory of Rose Irene Crisman, Rev. C. A. Smith, of the Free Methodist church, officiated, with the following bearers, Arnold, Owen, and John Crisman, Herman Warner. Burial was in the Sheffield cemetery.

MRS. CORA D. AULT
Funeral services in memory of Mrs. Cora D. Ault were held from the family home, 15 Central avenue, at two o'clock Saturday afternoon, conducted by Rev. Harold Knappenger, pastor of Grace Methodist church. Interment followed in Oakland cemetery, with the following serving as bearers: Clifford Christie, N. D. Patterson, Roy Guignon, John Cole, John Rhoadsberger and Howard Lemmon.

Attending the rites from away were Mrs. Arthur O'Neill, Champaign, Ill., and Mrs. Alice Ross, Erie.

GLENN PIERCE
Services in memory of Glenn Pierce, of Pleasant township, who died of a heart attack early Monday morning at the Struthers-Wells plant, will be held at two o'clock Thursday afternoon at the Peterson Funeral Home, Rev. A. J. Kimmel, pastor of First Evangelical United Brethren church, will officiate and interment will follow in Westview cemetery. Starbrick. Friends are being received at the family home until 11 a. m. Thursday, when removal will be made to the funeral home.

CARD OF THANKS
We wish to extend our sincere thanks to all those who extended us their sympathy, performed acts of kindness, and the beautiful flowers and use of cars during the illness and death of our wife, mother, daughter and sister, Stanley Laurence and Children Mr. and Mrs. George Cook Mabel Cook George Cook, Jr. 2-1-49

IN MEMORIAM

In loving memory of our dear husband and father, Roy G. Swanson, who passed away 15 years ago Feb. 1, 1934.

The blow was great, the shock severe, We little thought the end was near, And only those who have lost can tell, The pain of parting without farewell.

More each day, we miss you father, Friend may think the wound would heal, But they little know the sorrow That lies within our hearts concealed.

Wife and Children 2-1-49

IN LOVING MEMORY

Of our dear wife and mother, who passed away one year ago today.

R. M. Wade and Family 2-1-49

"HIGH-SPEED" RELIEF FROM TORTURE OF LUMBAGO - WITH - MUSTEROLE LINIMENT

Glenn need to have three to four glasses of milk every day; adults need two or more. Any milk not taken in liquid form may be consumed in other ways—in puddings, on cereals, in soups, in sherbets and so forth.

Duff Stands Firm in His Contention That Gasoline Tax Hike Be Only New Levy

(From Page One)
600,000 to the department of public assistance and \$8,055,000 to the welfare department.

For the assistance department in the next two years, Duff recommended \$151,100,000 compared to \$148,490,000 for the current biennium, including the \$10,600,000 deficiency.

Other appropriations recommended included \$800,000 for a summer camp at Indantown Gap for 2,500 children the first year and \$5,000 the second year; \$15,640,000 from the motor fund and \$5,800,000 from the general fund to support an increase in the state police force from 1,600 to 2,000 and \$4,400,000 to continue health examination of school children in the next two years.

Duff departed from custom to address a joint session of the senate and house on highlights of his budget.

He said bluntly that the state's general fund budget of \$695,000,000 was "constructed on the basis of no additional taxes beyond those now in effect," but he emphasized the need for the gas tax boost, and the general state budget.

He hit at oil industry critics of the gas tax proposal who have asserted \$82,000,000 in federal aid funds will make any boost unnecessary.

"The Highway Department informs me that such an estimate of funds for the department from the federal government in the way of highway aid positively will not be received in the coming biennium," he said.

"The contention that it will be received is based on unfamiliarity with the operation of the highway system and the federal law governing such aid."

Duff explained that instead of \$82,000,000 the state will only get \$40,000,000 in cash during the next two years.

He said \$103,313,000 will be spent on construction in the year ending May 31 and on this, federal aid payments amount to \$29,017,000 or 19.4 per cent.

Slush and Ice Continue to Create Hazardous Conditions

(From Page One)
temperatures that invariably raise the coal demand.

In Erie, Cambria and Somerset counties added to the hazards of motoring. The Pittsburgh weather bureau said more snow showers were expected in wide areas of western Pennsylvania.

The forecast called for winds and colder temperatures with occasional snow showers. In Pittsburgh the mercury was expected to slide to 15 degrees tonight and climb to 22 tomorrow.

Almost all Western Pennsylvania highways were said to be icy, at least in spots. The Turnpike was covered with snow and ice over its entire length.

Fate of \$500,000,000 Vets' Bonus The Heart of Voters

(From Page One)
forms with a constitutional requirement of action by two separate legislatures. A statewide referendum is the last constitutional step.

A separate 1947 law sets up the manner of payments. Under it, veterans will receive \$15 a month for overseas service and \$10 for duty in the states between Dec. 7, 1941, and March 2, 1945. A veteran must have served at least 60 days between Pearl Harbor and the signing of the Japanese surrender on Sept. 2, 1945, to qualify.

A sales tax and pari-mutual betting on horse races already have been suggested as means to pay off the bonus—the largest proposed expenditure of its kind in commonwealth history.

Wide Search Launched For Missing Plane

(From Page One)
for its base at Marham, Eng.

The Air Force previously had dismissed as unfounded reports that survivors had been picked up near Las Palmas.

Las Palmas, Canary Islands, Feb. 1—(AP)—A Spanish naval commander announced today the discovery of wreckage believed to be part of an American B-29 superfortress missing since Thursday. He said no survivors had yet been found.

The commander said he received a radio message from a Belgian ship reporting the wreckage was located just before midnight last night at a point halfway between the Canaries and Gibraltar.

The Belgian message said a number of life preservers and some wreckage were picked up but no signs of either survivors or victims had been sighted.

The Superfort had been on a training flight from Dakar, French West Africa, to the U. S. training base at Marham, Eng. It carried 15 men.

Omnibus Home Has Comfort

All the comforts of home, even including a television set, have been installed in the living room of a double-decker omnibus. Converted by a Southborne, England, building firm for the use of an RAF squadron leader, this living room, a kitchen and a tool shed are on the ground floor. On the second floor, two bedrooms and a bath have been installed.

Market Quotations

New York, Feb. 1—(AP)—A slow and easy trading pace in the stock market today was accompanied by mixed prices. Changes among the leaders were held within less than one point range in either direction. Most of the activity—sight as it was—entered in steel, autos and oils. Both steels and autos for the most part were unchanged or higher, but autos dipped slightly.

New York, Feb. 1—(AP)—Noon stocks. Vol: 270,000.

A. F. L. Charts Drive on State Labor Laws

Miami, Fla., Feb. 1—(AP)—The AFL today charted a drive to repeal state laws it considers restrictive on labor unions and picked small industrial Delaware as a starting point.

Joseph Keenan, director of the AFL's political arm, called the Labor's League for Political Education—said Delaware has "the worst anti-labor law in the country, worse even than the Taft-Hartley act."

"We're going to devote our efforts to see what we can do to repeal such state laws, particularly in the states where we have had changes in the political complexion of legislatures," he added.

The AFL has a dual purpose in mind: One, to have what it calls "Little Taft-Hartley Laws" cancelled out, and two, in the process to develop state and local political strength for the 1950 congressional elections.

Keenan talked with reporters in advance of a meeting of AFL leaders to outline 1949 political plans in the states and on a broadened national scale.

The AFL's executive council late yesterday called on the administration to broaden its housing plans. The council okayed the administration proposal to extend control for two years and to finance a 1,000,000-unit public housing program.

Top Officers Are Heard on Labor Plan

(From Page One)
recommend the stiffer two-thirds majority proposal.

Both bodies were in adjournment today—the house until Wednesday, the senate until Thursday—but committee hearings were numerous.

In addition to those on labor and the filibuster, there were hearings on small business, the government reorganization plan, on export control extension, on the minimum wage boost, pensions for veterans, and others.

The house committee on executive expenditures began closed sessions on President Truman's government reorganization plan. The reorganization bill, which seems destined for a rough ride in congress, may be the first major administration measure to come up for a voting test.

The program, worked out by former President Herbert Hoover's commission or organization of the executive branch, would streamline this branch of government, eliminate many overlapping agencies, cut personnel and generally result in 1,800 big and little agencies functioning under this branch.

The House Un-American Activities Committee was off to a new start, its first problem being to persuade the house to give it \$200,000 this year to pay its expenses. Little trouble is expected. The committee held its first meeting yesterday under the chairmanship of Rep. Wood (D-Ga.). And it voted unanimously to turn off the spotlight of publicity. From now on, its hearings will not be broadcast, televised or photographed. Only reporters will be allowed to sit in public hearings.

(From Page One)
Green, Ky., today's low was 8 above.

The U. S. Weather Bureau said southern and central Florida were the only sections of the country with warm weather. But higher temperatures were forecast for the southeastern states tomorrow.

Meanwhile, as the fight in the western blizzard area continued, the senate's \$300,000,000 bill to aid in relief work had a new request from Rep. Granger (D-Utah) that \$5,000,000 be provided but congress was in recess until Thursday.

The president ordered the army to put any of its resources needed in the fight against the January snowstorms in the western plains and Rocky Mountain region. He told Defense Secretary Forrestal that "the disaster makes it imperative that the full resources of the federal government be mobilized immediately to furnish such emergency assistance as can be made available through the various federal agencies."

Highlight Busy Sports
Card For Warren Area

Plenty of activity for Warren sports fans is on the fire this week. Tonight the Warren Dragons will go to Titusville for a Section Two scrap with the Rockets. It will mark the second meeting this year between the clubs, the Blue and White having topped the Smokeymen by a 61-33 count in the opening game of the Section two race on Beaty gym. The game will be broadcast over WNAE-FM.

A second Section Two scrap tonight will pair the red-hot Franklin five against Meadville on the latter's home boards.

Other games tonight match Sheffield and Smethport on the Sheffield court; Hickory and Pleasantville on the latter's floor; and Marienville and Tonesta at Tonesta.

Wednesday night's schedule is highlighted by the annual meeting of the Warren Sports Boosters' association in the YMCA, starting at

8 o'clock. Annual election of officers and two fine sports movies will feature the meeting.

On Thursday night, sports fans will have their choice of Warren High School's first home appearance of the varsity wrestling team on Beaty court, or two Y City Basketball League scraps on the Y court.

The wrestling crew, coached by Bob Jewell, with a helping hand from a former grappler, Bill Hewitt of the borough police force, will be paired against the crack Oil City squad. The matches will get under way at 7:30 o'clock.

The Y City League schedule lists the Rockets versus Struthers Wells at 7:30 o'clock and the Style Shop versus Warren Business School at 8:30.

On Friday night, the Warren Dragons will interrupt their league warfare for an exhibition match with the Bradford Owls on the Bradford floor.

Style Shop, N. P. C. Squads
Notch Y City League Wins

The Style Shoppers, paced by Bill Massa with 21 points, got off to a fast start and maintained a steady pace throughout to beat the strong Struthers-Wells squad, 57 to 45, in a YMCA City Basketball League tilt on the Y floor last night.

In a second league tilt, the New Processers spotted their opponents a nine-point lead in the first period, but came back strong to take a 40-42 decision over the Rockets.

Joining Massa in the high scoring department were Rudy Anglen with 17 points for New Process; Ralph Fischer with 16 points and Buzz Crocker with 12 points, both for the Rockets; and Chuck Niederlander with 11 units for Struthers Wells.

Thursday night's league schedule will pair the Rockets against Struthers Wells squads at 7:30 o'clock and the Style Shop and the Warren Business School at 8:30.

SPARTANBURG BEARS

NORTH WARREN CAGERS

Spartanburg freshmen, paced by Dazemo with 25 points, handed North Warren a 56-35 drubbing in an independent basketball tilt over the weekend at the North Warren community house.

The smoke-chasers piled up a 24-19 lead by halftime and coasted to victory. P. Smith was top scorer for North Warren with 16 points.

YELLOW JACKETS TOP

RED RAIDERS QUINCY

Yellow Jackets splurged for 13 points in the third round and outpointed their rivals, 8 to 5, in the final stanza to thump the Red Raiders 26 to 3, in a YMCA Junior Basketball League tilt on the Y floor yesterday.

D. Campbell, Yellow Jacket guard, swished the cords for 13 points.

BOWLING
SCORES

EXHIBITION: Warren Building Blocks, paced by Harold Clepper with 584 and Harry Wooster with 576, topped the Moose All-Stars, 2714 to 2530, in a non-league affair on Moose Club alleys. Match summary:

Building Blocks	W. L. Pts.
H. Clepper	174 174 236
J. Urbanski	167 184 165
J. Thomas	179 158 163

Totals	762 870 893

ELKS LEAGUE: Myron Check strung together three two-century games (225-215-232) for a healthy 672 total and his teammate, C. Eggleston polished off the evening with a 235, but the Check Bros. could do no better than split even on match points with Beyer's. The third game, of Checks was a honey, with R. Harvey and M. Baldensperger rolling 205 each and W. Check posting 186, which added to the other two high scores, gave the squad a 1045 single game aggregate. Results of other matches were: A. & B. Appliance 3, Beckleys 1; Steins 4, Kirbengers 0; and Darling Jewellers 4, Turner Radio 0. Scoring:

Dragonettes Shade Meadville Seconds

Warren High Reserve Basketballers beat the Meadville Javees, 36 to 33, in a hard-fought scrap on the Meadville floor Friday

night. The Dragonettes piled up an early lead and succeeded in staying out in front all the way despite a 15-point spurge by the home team in the final stanza.

Harry Danielson and Bob Foley led the victors with eight points each. Voorhees was top scorer for the Meadville squad with 10.

The Little Man Who Wasn't There

When the outside horse, Westgate Blvd., 3, threw Conn McCreary at Hialeah Park's starting gate, the mount completed the race, and finished second by a nose to Apple River, 1. The inside steed also appears riderless, and therefore out of the money, but the truth is that Benny Civiletti was leaning so far over in the saddle that he was totally obscured by the runaway.

Demart Is Winner
Of Phoenix Open

Phoenix, Ariz., Feb. 1.—(P)—Jovial Jimmy DeMart made a change in his method of gripping the putter and yesterday won top money in the \$10,000 Phoenix Open tournament. He scored a three-stroke victory over Ben Hogan in an 18-hole playoff.

DeMart, with the help of two

putts sunk from nearly 30 feet, finished with a four-under-par 67 over the flat, 6,578-yard Phoenix Country Club course.

Since changing his grip, DeMart hasn't finished lower than third in tournaments. His play has netted about \$6,570 during the month of January.

The Phoenix Open result was a reversal of the finale of the Long Beach, Calif., open last week when Hogan bested DeMart in a playoff to break the 272 tie. Sunday the two men finished with totals of 278.

Ready Plans For Coming Cage Tourney

News just received from the Warren Hi-Y Club indicates that plans are all completed for the big basketball tournament which the club will stage on the weekend of February 11, 12 and 13th.

The committee on arrangements states, however, that it is still short accommodations for 45 boys for the weekend.

Final details for the tournament were worked out at a special meeting held this afternoon. A program has been set up and will be announced in detail a bit later.

It was also announced by the committee that the Warren Times-Mirror has donated a "Clean Sportsmanship" trophy to be awarded to the team which comes out on top in the eliminations.

The speedy replies and interest shown by clubs entering the contest have given the local club great hopes for a most successful weekend.

Body of Sheffield Boy Being Returned

Sheffield, Feb. 1.—Word has been received by Mr. and Mrs. Frank Jashurak, 56 Deerlick street, that the body of their son, Pfc. Anthony R. Jashurak, is being returned from the United States Military Cemetery at Castlepoint, Italy.

Anthony was born in Sheffield on May 13, 1923, and received his education in the public schools here. He was inducted into service on March 29, 1943, serving with Company B, 88th Infantry Division.

Besides his parents, he leaves two brothers and two sisters, Jacob and Frank, Jr. Sheffield; Mrs. Mary Stranava, Wetmore, and Mrs. Anna Komecanu, of Erie.

MORE PANSIES

The Hearts Content resident who found pansies blooming in her backyard has company. Mrs. Melvin Rhoads of Pittsburgh picked two bouquets of the cherub-faced flowers at her home last week.

MARRIAGE LICENSES

A marriage license was issued today at the office of Recorder Don Schuler to Leonard Duane Schweitzer, of Hemlock, and Marjorie Ann Christensen, of Warren RD 1. An application for marriage license was made yesterday by Earl Samuel DeVore and Ora Belle Sayers, both of Warren.

MEN FOUND

City police last evening located a west side man and his young brother after the man's wife had notified police that the two were missing and she was afraid they had been hurt. They had gone on the Heart's Content road, and when their car broke down, had taken refuge in a nearby camp. They were located about 12:50 o'clock this morning.

Personal Paragraphs

Mr. and Mrs. Harry Rapp, 116 Pennsylvania avenue, west, left Sunday morning for Miami Beach and St. Petersburg, Fla., for a month's vacation.

Rev. Father N. A. Russo has returned to East Moline, Ill., after spending a few days with his parents, Mr. and Mrs. Dominic Russo, South Morrison street.

During the years of our national expansion, it was the U. S. Army who surveyed boundaries, conducted preliminary explorations, constructed roads and trails leading west, built bridges and canals, mapped the new lands and protected the settlers, thus making the movement westward possible.

HOOK AND LADDER

Members of the Citizens Hook and Ladder Company will hold their regular meeting at eight o'clock this evening in the basement room of the city building.

PROGRAM FOR LOOM

The semi-monthly meeting of Warren Lodge of Moose will be held at 8 p. m. Wednesday. A large attendance is expected as there will be a program of entertainment following the business session.

COUNTY LEADS

According to the Guide Post, bulletin of the Pennsylvania Potato Growers Association, Warren county stands fifth in the state in number of potatoes sold up to January 1, 1949. There have been 308,904 pecks marketed from this county, exceeded only by Lehigh, Erie, Columbia and Lancaster counties.

Times Topics

STILL SOME DRILLING

The Titusville Herald was advised that a few strings of oil drilling tools are still operating in this vicinity. Charles White, Monroe Brothers and S. A. Osborn are drilling on leases in the Shamburg district. About seven years ago, about a hundred rigs were at work near here.

VERDICT OF SUICIDE

A verdict of suicide was issued Friday by Deputy Coroner Mark Glenn of Union City in the death of Theodore Charles Jack, 31, of Union City, whose body was discovered Thursday afternoon in his car on a rural road near Mill Village. Jack, a veteran of eight years of service in the navy, had been despondent and moody for several months, according to members of his family.

TO DEDICATE HOSPITAL

Formal dedication of the new Dr. Stem Memorial hospital in Union City will take place on Saturday, February 12, according to officers of the hospital organization. The new building will replace the converted home given to the city by the late Dr. Henry L. Stem, which has served as Union

City's only hospital for many years.

CRAWFORD FIRE

Property valued by the owner at more than \$30,000, insured for about \$3,900, was destroyed by fire Friday night on the Earl Rhoades farm a half mile east of Westford in Crawford county. Lost in the blaze were a large barn, granary, and 34 head of dairy cattle, 33 of which were registered. The estimated 400 firemen from

Lanesville, Hartstown and other departments, confined efforts to saving the home.

BIRTHS

In North Carolina

Mr. and Mrs. Ray Bennett have learned of the arrival of their first grandson, Craig Denniston, weighing eight pounds, 15 ounces, born to Mr. and Mrs. Craig D. Bennett in Salisbury, N. C.
